## Meeting God

In 1991, I had the unique opportunity to meet Prince Charles. At my time of writing he is currently visiting Australia in his visit as the new King and there has been some discussion on the radio about the correct etiquette in how to greet him, how you should address him, can you touch him etc.

I remember back at the time being overwhelmed as he approached me, will I get to speak to him? I wondered. What should I say? I had mixed feelings of nervousness and excitement. He actually shook my hand and asked me what I was studying. (he thought I was an Oxford University student as that was where I met him). I was an architecture student in Melbourne at the time but struggled to find the words to respond in the enormity of the momentous occasion.

I have had conversations with friends about what that moment will be like when we first meet God face to face. Will he speak to us? What can we ask of Him? Often we consider "When I get to heaven my first question will be..."

Yesterday God reminded me of the simple fact that we don't have to wait for that glorious day when we will meet with the King of Kings to be in communication with Him. What a privilege that we can come before our God and King in prayer at anytime. We can pray and offer up praise anywhere, anytime and He hears our voice.

Jeremiah 29:12 (NLT)

*"Then you will call on me and come and pray to me, and I will listen to you."*

Psalms 145:18 (NLT)

*"The Lord is close to all who call on him yes, to all who call on him in truth."*

The scriptures teach us that prayer is how we have a conversation with God. He hears us and we can hear from Him.

Take time to meet with God daily and be richly blessed as you communicate with Him.

Bless you,

Rachel Littlechild Office Manager

## MMM International

### MMM International Alliance

Praise God for the International Alliance Meetings that were held in Hong Kong at the end of October. Pray that as result of the discussions, meetings and fellowship between the staff from around the world we will see fruitful growth for the ministry, internationally.

### MMM Thailand

Pray for the team as they host visitors from Australia at the start of the month. Pray that their meetings will be strategic in making future plans for the development of the property and the MMM ministry in Thailand.

Pray God will provide a team to help Pedro with MMM's work on a regular basis. Pray for the idea of training apprentices to blossom and work out in practical and tangible ways enabling Pedro to have helpers to help him with construction work.

Pray for the districts that have recently experienced flooding, in Chiang Rai; the worst in 80 years. Many houses, farms, animals and infrastructure have been severely damaged. Some people were left with no homes.

Pedro joined S2S to provide flood relief to remote villages that had not been reached. (transporting supplies in the MMM vehicle).
